## When Searching for a Course or Program

Course/Program | Lookup Window

Dec 1, 2021   Jan 1, 2022   Jul 1, 2022   Dec 1, 2022
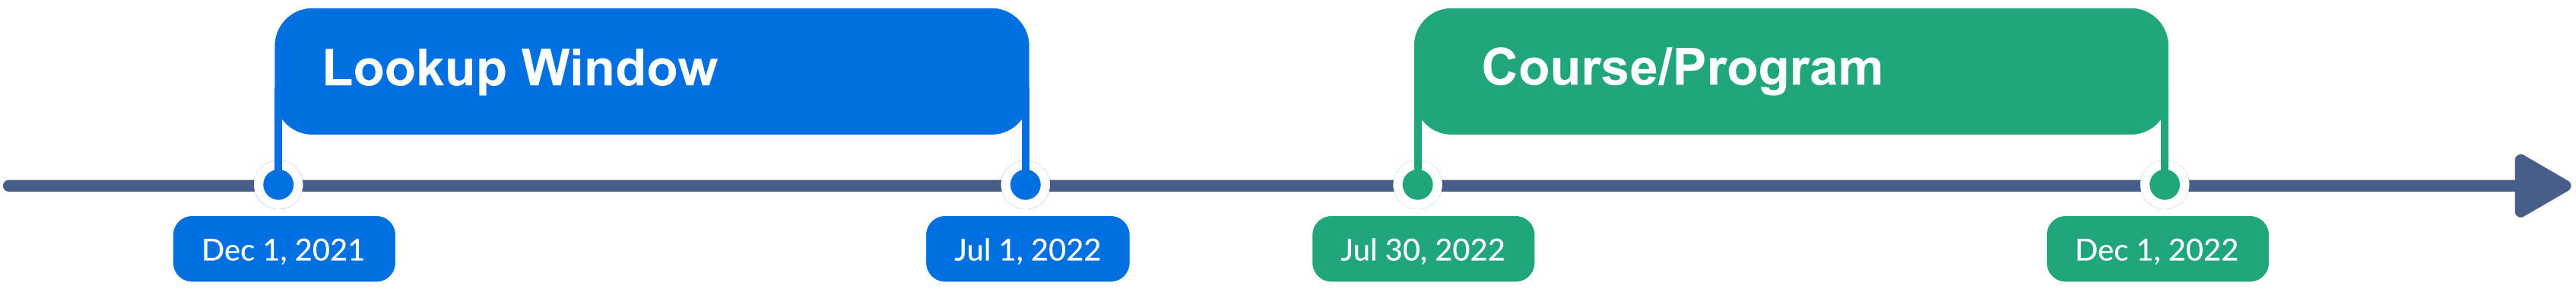

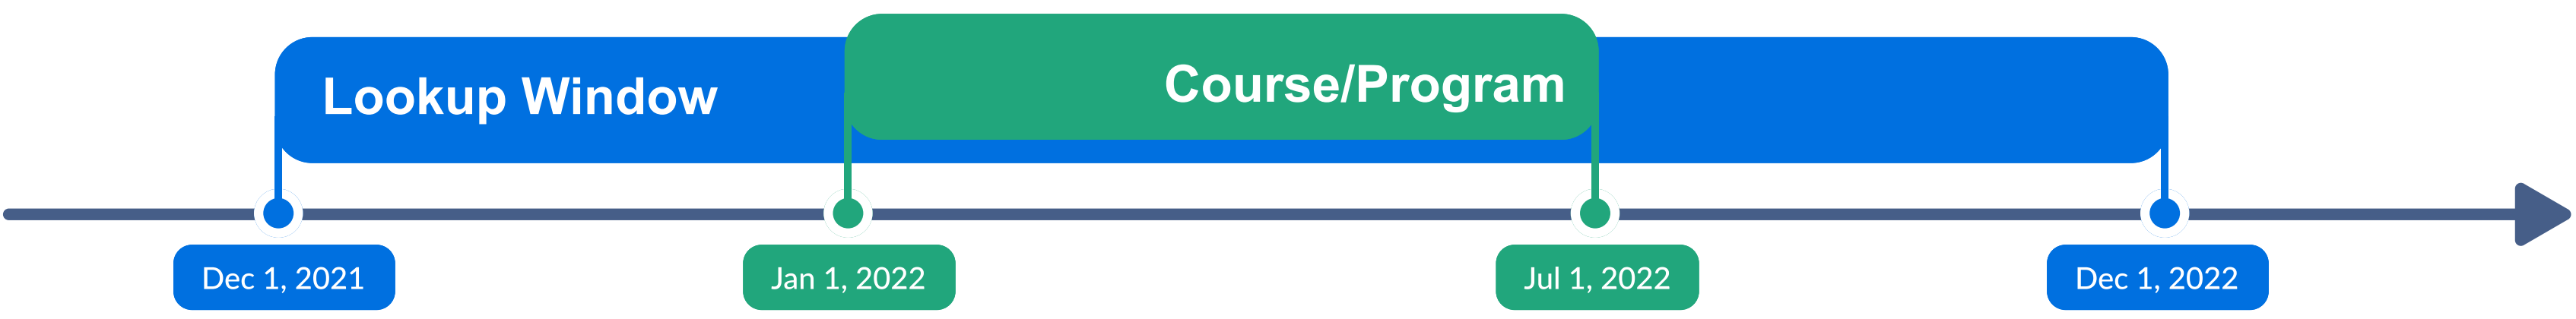

✓ Scenario 1
The course or program IS returned in a search because it started before the lookup window and hadn't yet ended; therefore, it is effective "as of" the start date of the lookup window.

## When Adding a Course as a Program Requirement

Course — Aug 24, 2020 | Aug 24, 2021 — **Program** — Aug 27 2023 | Aug 28, 2023
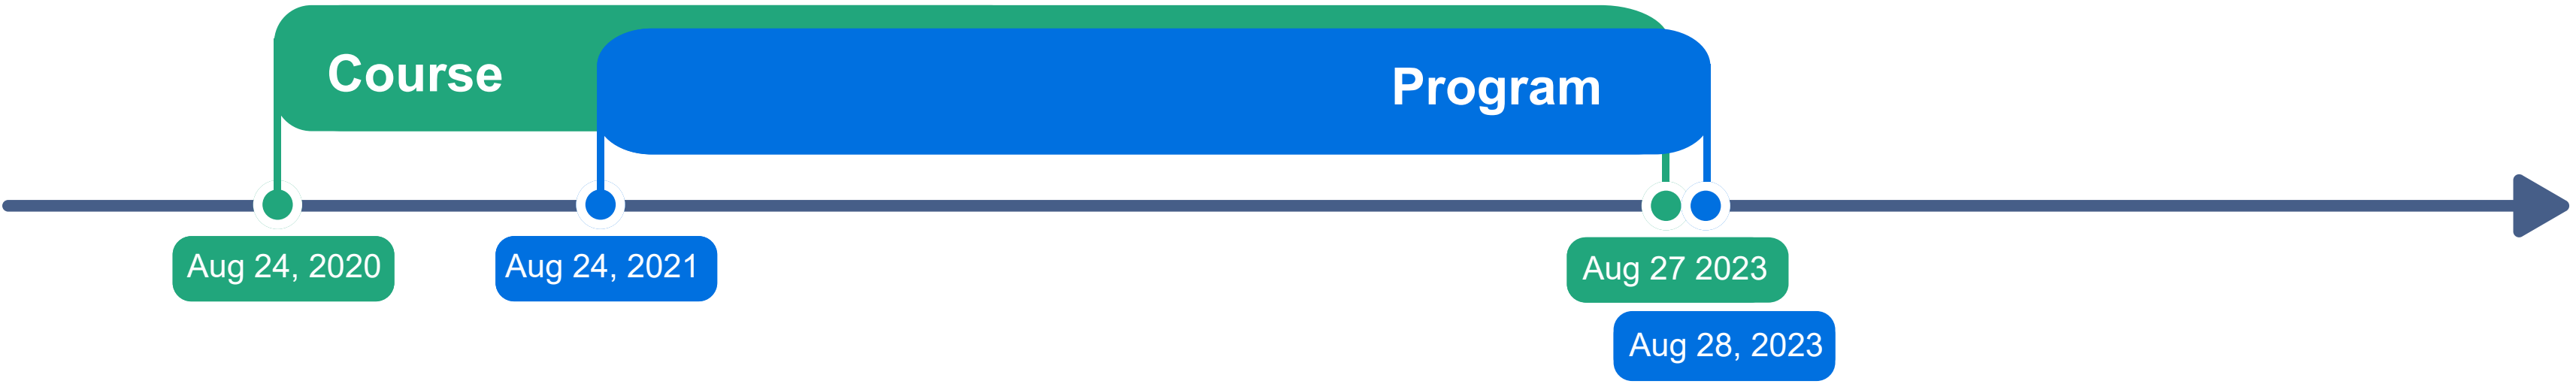

✅ **Scenario 6**
The course WILL be accessible in the program requirements/degree map, since it begins before the program and its effectiveEnd is before the program's.

**Course** — Aug 24, 2020 | Aug 24, 2021 — **Program** — Aug 28, 2023 | Aug 28, 2023
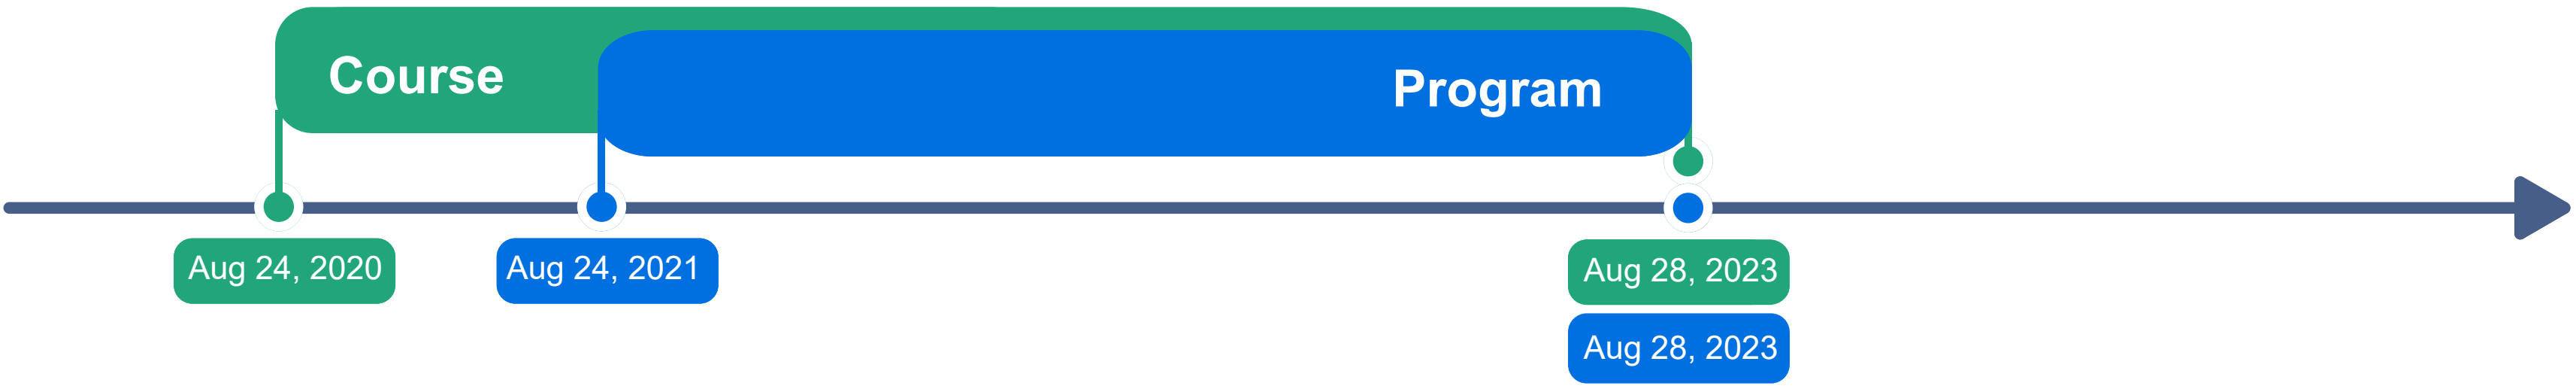

✅ **Scenario 7**
The course WILL be accessible in the program requirements/degree map, since it begins before the program and its effectiveEnd is the same as the program's.

Course — Aug 24, 2020 | Aug 24, 2021 — **Program** — Aug 28, 2023 | Jun 30, 2025
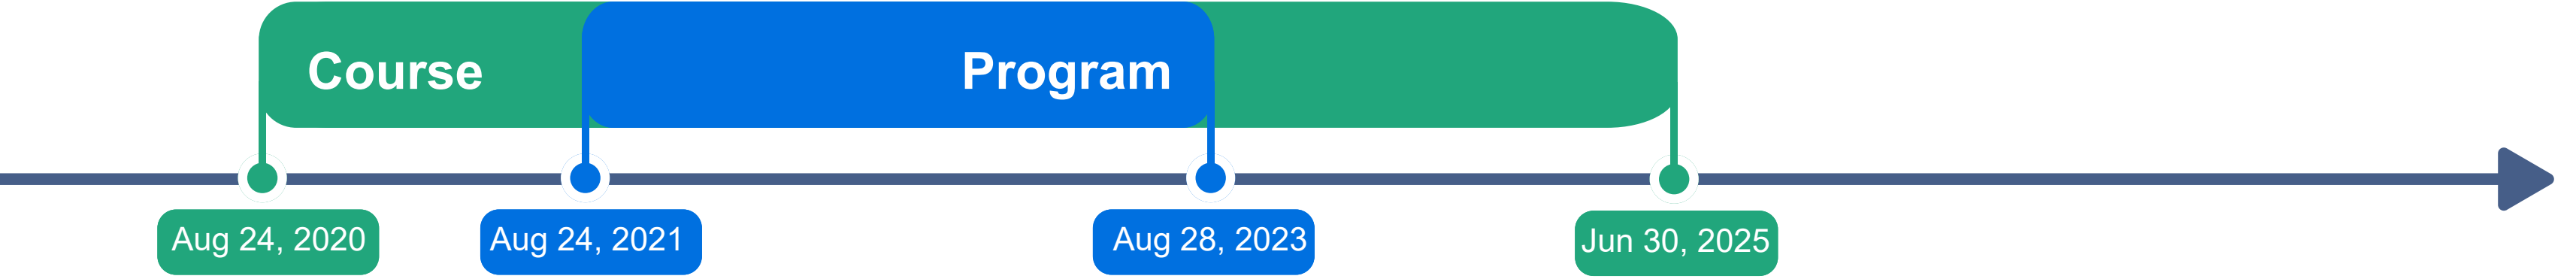

❌ **Scenario 8**
The course WILL NOT be accessible in the program requirements/degree map, since its effectiveEnd is later than the effective end of the program.

Course / **Program** — Aug 24, 2021 | Aug 24, 2021 — Aug 28, 2023 — Jun 30, 2025

❌ **Scenario 9**
The course WILL NOT be accessible in the program requirements/degree map, since the course's effectiveEnd is after the program's.

Program — Aug 24, 2021 | Aug 25, 2021 — **Course** — Aug 28, 2023 | Jun 30, 2025
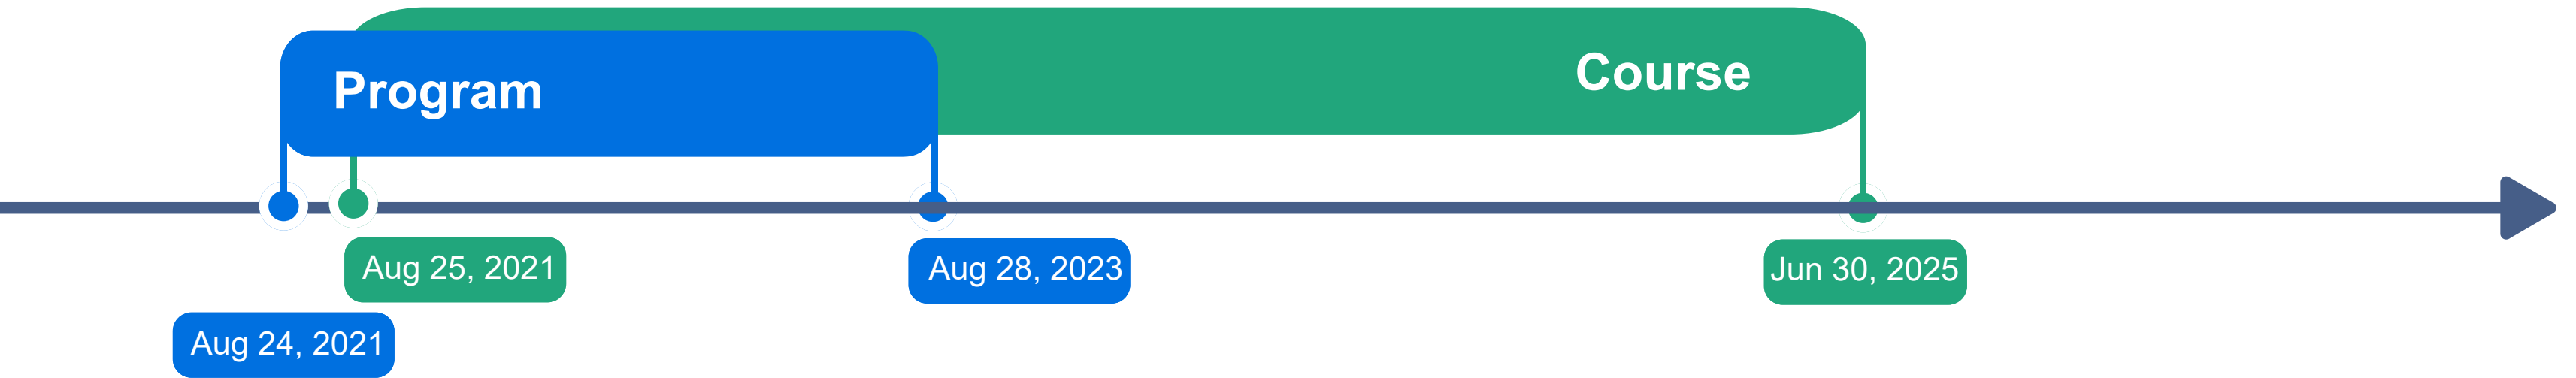

❌ **Scenario 10**
Regardless of the end date filter, the course will NOT be accessible in the program's requirements / degree maps, since the course's effective start date is after the program's effective start date.
